Porsche Cayenne 92A MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- We are so lucky to be able to offer a 2011 Porsche Cayenne Turbo with loads of options for sale
- stunning silver with black leather interior
- full service history from Porsche
- So many great options from the 18 way seats, side steps, carbon fibre interior package including a carbon steering wheel, superb alloy wheels, electric boot release and so so much more
- this car drives like a new one and it's priced very well in our opinion as they are so rare and most of them are black
- this car has been garaged, doesn't smell like a smokers car and headlights are not sun damaged at all
- factory carpet mats and it even has a special boot protector which folds over the rear bumper to prevent damage to the paint when loading the cargo area
- NSW registration until March 2019
- being the newer update body style it still looks very current on the road
- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
