

Porsche Cayenne 9PA MY10

## Description

In 2010 when this new shape Porsche Cayenne “S” came out with the newer front end, LED running lights and tail lights it was considered a whole new shape and the 4.8 litre V8 was a very expensive car when new. In black metallic with black leather interior we are so proud to offer this 80,000 klm example and we are very fussy about what we sell. This car is immaculate and had a very fussy previous owner and we have just had all 4 wheels refinished and a set of brand new Pirelli P-Zeros fitted. The leather is like new and it’s a car that hasn’t had young kids spilling lollies in the rear and has been properly detailed for sale. With some lovely options such as the adjustable suspension we are confident this car will be a delight for a fussy Porsche buyer to own for many years. They have an amazing powerhouse under the bonnet with 294 kW and loads of torque as you can imagine. It would have set you back $150K when new in 2010 and the MY11 upgrade is a far better can than its predecessor. We are so proud to offer this for sale and very much look forward to meeting you soon.
