**2024 Porsche Macan GTS AWD – \$149,950**

Finished in a stunning deep burgundy metallic that appears almost black under evening light, this near-new 2024 Porsche Macan GTS offers an exceptional opportunity to secure one of the most desirable performance SUVs on the market while avoiding the lengthy wait times and significant depreciation associated with a new vehicle.

Powered by Porsche's exhilarating 2.9 litre twin-turbocharged V6 engine and paired with the lightning-fast PDK dual-clutch transmission, the Macan GTS delivers the perfect blend of sports car performance, everyday practicality and unmistakable Porsche engineering.

This particular example has been meticulously maintained by a personal friend and presents beautifully throughout. The elegant beige leather interior provides a sophisticated contrast to the rich exterior colour, creating a truly premium driving environment.

Adding to its appeal is approximately \$26,000 worth of factory options, ensuring this Macan stands well above a standard GTS specification. Even more importantly, it is covered by a 7-year Porsche extended warranty, offering valuable peace of mind for years to come.

With Porsche's reputation for build quality, outstanding performance and strong resale values, this is a rare opportunity to secure a highly optioned, near-new Macan GTS at a substantial saving over replacement cost.
