

Renault Megane

Description

At $46K when new in 2012 this lovely Renault Megane Dynamique convertible is the newer body shape and has so much going for it. From the wide colour screen Navigation system, the newer 2.0 litre engine with 103kW and 195 Nm of torque, a claimed 8.1 litres pre 100 klms and full leather interior. Gets a five star Euro NCAP crash rating, in the two front seats yes, in the driver's seat more so thanks to electric adjustment and heating. The leather is a welcome addition as are the Arkamys premium audio, Bluetooth and audio streaming, electric parking brake, dual zone aircon, audio connection box, wind deflector and hands free entry/ignition systems. This car is white with charcoal grey leather, has NSW registration until July 2018, log books, spare keys and no warning lights on the dash. In our opinion this is excellent value for money considering it's the newer shape Megane and the electric hard top even has a panoramic glass roof to see through. Please take out the time to come in and see us one day soon.
