There aren't too many second hand cars traded in at our a dealership that are 16 years old that you can use the word perfect about. This car is truly amazing in every regard and even has 12 months NSW registration. It's a gorgeous colour combination and has only travelled 95,000 klms since new. Service books are up to date, spare remote keys, full leather interior, sun roof, timber, navigation from the factory and being a Connoisseur SE it is the absolute top of the range Rover 75 offered in 2002. Owned by an older gentleman and traded in on a Mercedes this iconic sedan should hold its value very well moving forwards. Please take this car very seriously as it truly is a special example. We have left the fitted sheepskin seat cover in the boot and can't wait to show you this gorgeous motor car.
