

Saab 9-3 MY2006

Description

There are very few “new shape” Saab 9-3 convertibles left with only 55,000 klms since 2006 and we are very proud to say that we have one of the finest examples in black with cream leather interior on offer. This is a great time of year to jump in to a cabriolet and having worked for Saab for four and a half years I have become very fussy about the sort of cars we offer for sale here in Sydney. Not only is this a car which ticks a lot of boxes on paper but it really does drive so well. It’s been perfectly serviced by Alec Mildren Saab as well as a normal mechanic. Spare parts are still readily available for these and they are a very easy car to service. They are one of the safest convertibles on the road and we are very excited to show you the car in our Sydney based showrooms.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don’t buy our cars from auction houses and we are located only
