

Toyota Landcruiser HJ47

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this superb 1983 Toyota Landcruiser HJ47 was sold as a deceased estate and has only travelled 230,000 klms since new
– it certainly is in one of the most original conditions you could hope for and is a stand out in the crowd
– the 4.0 litre diesel engine is bullet proof and this drives incredibly well for a 26 year old vehicle as you would only expect from Toyota.
– with a car like this the interior is so important to be immaculate and this is in way above average condition compared to others we see
– the mustard yellow with the brown interior suits this vehicle perfectly
– low and high range 4WD settings
– it has the jack attached to the side of the car
– the ute/tray is in excellent condition
– fitted with a reversing camera in the rear view mirror
– we think that this Landcruiser will hold it’s value extremely well moving forwards
– the most recent owner was a true car enthusiast and had some very nice classic cars including this one
– what a great promotional vehicle for your business this would make
– please take the time to come and see this in person and most importantly it’s not full of rust as so many are

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
