Toyota Landcruiser HJ47

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- this superb 1983 Toyota Landcruiser HJ47 was sold as a deceased estate and has only travelled 230,000 klms since new
- it certainly is in one of the most original conditions you could hope for and is a stand out in the crowd
- the 4.0 litre diesel engine is bullet proof and this drives incredibly well for a 26 year old vehicle as you would only expect from Toyota.
- with a car like this the interior is so important to be immaculate and this is in way above average condition compared to others we see
- the mustard yellow with the brown interior suits this vehicle perfectly
- low and high range 4WD settings
- it has the jack attached to the side of the car
- the ute/tray is in excellent condition
- fitted with a reversing camera in the rear view mirror
- we think that this Landcruiser will hold it's value extremely well moving forwards
- the most recent owner was a true car enthusiast and had some very nice classic cars including this one
- what a great promotional vehicle for your business this would make
- please take the time to come and see this in person and most importantly it's not full of rust as so many are

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
