

Volkswagen Bora 1J

Description

Most of these 2001 VW Bora’s are a little tired but this 4 speed automatic V5 2.3 litre 5-cylinder is in very good condition throughout. The leather is still very fresh, it drives well and basically there is nothing to spend on this car to get in and 2.3 litre engine is excellent and so reliable without using up a great deal of fuel at all. Metallic British racing green with tan leather interior is a top colour combination and this car is currently registered in NSW. A lovely car at a very sensible price and by the way if you watch the video it was taken when we sold the car previously to a client who now works for us and has just traded it in. The mileage when we sold it to him last year was slightly less.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don’t buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We’re also an agent for the
