Volkswagen Golf VI MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- lovely 2011 VW Golf GTi in silver with only 75,000 klms since new
- this car has a very good log book service history and the fashionable cloth interior too
- it's one of those very original cars that has not only been garaged but also serviced very well
- it has both original keys and a full service log book history
- the wheels are original and the only reason the person sold the car was due to being relocated overseas
- 3 door hatches look superb and we can't wait to show you this car in person
- we met the previous owner and he commented that this is the "wet" DSG gearbox as opposed to the dry box. This ensures a very long life compared to the more troublesome dry boxes.
- we see a lot of this model and are very picky about what we sell and believe that this is a particularly good example and would suit the fussiest of buyers
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy

permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
