Volvo 240

## Description

This is a very original 1984 Volvo 240GL auto sedan with rear blinds and immaculate interior (seats etc)

Automatic, power steering and overall a nice car with rego until late May 2019

Obviously due to the age of the car there are some items it will need mentioning.

- the centre console plastic has some cracking
- the paint in certain areas is a little faded
- the dash has some cracks under the carpet
- the bumpers have some scratches
- the front grill has a small piece missing/cracks
- radio only gets one channel
- air con isn't cold so may not be working

We just had our mechanic look at it and he changed the exhaust and did a wheel alignment and a power steering seal

Generally a good old car but please keep in mind it's a 1984 model sold with no warranty

We will do a pink slip / roadworthy on the car but again it's being sold cheap so don't expect the world.
