– the GLE was the very desirable model with full leather seats

– as you can see the driver's seat is quite worn but we have someone who can repair this

– will be registered at the point of sale

– these are very rare and this is the only 940GLE for sale at the moment

– what a great owner the person was who had this car who has spent thousands on it just before letting it go

– great service history

– spare keys

– 250,000 klms is nothing for one of these lovely old cars

– we really are very passionate about cars like this

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
