

Volvo C70 MY12

Description

This absolutely lovely automatic 2011 (MY12) New shape Volvo C70 T5 “S” Convertible has only travelled a mere 70,000 klms since new and is in the most impressive condition you could hope for. The log books are well up to date from Volvo dealers and it has been owned in the North Shore here in Sydney and is quite literally unmarked. The leather is still so fresh, the paint is not dented or scratched at all, everything works beautifully and it’s one of those Volvo’s you just get in and know it’s a well looked after example. The dark metallic blue with the very light cream leather interior looks stunning and here in Sydney we have to be super fussy about what we buy. We hope you will agree that the resale value on the C70 is very good and will hopefully continue to do so in the future. This car is registered in NSW until November 2018 and we look forward to showing you this car in person at our showroom.
