VOLVO S80 V8 AWD – YAMAHA-BUILT 4.4 LITRE V8 – LUXURY, PERFORMANCE & RARITY

\$11,950.00

A rare opportunity to own one of Volvo's most interesting and impressive luxury sedans – the 2009 Volvo S80 V8 AWD, finished in elegant metallic black with a beautifully appointed black leather interior.

At the heart of this S80 is the wonderful 4.4-litre naturally aspirated V8, an engine developed and built by Yamaha specifically for Volvo. Producing approximately 232kW and 440Nm, it is renowned for its smooth power delivery, wonderful V8 soundtrack and strong reputation for durability.

Power is delivered through a 6-speed sports automatic transmission and Volvo's sophisticated All-Wheel Drive system, making this an exceptionally capable luxury sedan in all conditions.

The S80 V8 was Volvo's flagship sedan and offered a level of performance and refinement quite unlike the more familiar four and five-cylinder Volvos. Today, these V8 models are becoming increasingly difficult to find, particularly in such an attractive black-on-black colour combination.

Features include:

Powerful 4.4-litre Yamaha-built V8 engine.

6-speed sports automatic transmission.

All-Wheel Drive (AWD).

Black leather upholstery.

Electrically adjustable front seats.

Driver's seat memory.

Heated front seats.

Dual-zone climate control.

Cruise control.

Premium Volvo audio system.

Multi-function leather steering wheel.

Alloy wheels.

ABS braking.

Stability and traction control.

Multiple airbags.

Volvo's renowned safety engineering.

For only \$11,950.00, this represents an enormous amount of motor car for the money. It combines genuine V8 performance, Scandinavian luxury, excellent safety and the understated styling for which Volvo is famous.

With large-capacity naturally aspirated engines rapidly disappearing, the S80 V8 AWD has also become a particularly interesting model for the enthusiast who wants something genuinely different.

This car will be mechanically checked over and receive a NSW roadworthy permit.

We are so excited to show you this fine example and look forward to your inspection.
