

Volvo V40 D4 Kinetic M Series

Description

2013 VOLVO V40 D4 KINETIC – ONE SYDNEY OWNER AND PERFECT SERVICE HISTORY!

What a lovely find this Volvo V40 D4 is! One Sydney owner from new, with a perfect servicing history and 196,000 kilometres travelled. We always enjoy finding cars with this sort of ownership history, particularly when they have clearly been maintained throughout their life.

Finished in silver with a smart black interior, this is the D4 turbo diesel model, offering plenty of performance along with excellent fuel economy. The V40 is a terrific little European hatchback, with comfortable seating, a solid feel on the road and the safety that Volvo has always been known for.

Some of the highlights include:

One Sydney owner from new

Perfect servicing history from new

196,000 kilometres

2.0-litre turbo diesel engine

Six-speed Geartronic automatic transmission

Silver exterior with black interior

Five-door hatchback practicality

Volvo safety engineering

I have always liked these V40s. They are comfortable, economical and enjoyable to drive, and the D4 engine makes them particularly appealing for anyone who does a reasonable amount of travelling.

For me, the standout feature of this particular car is its ownership and service history. Finding a one-owner example with a perfect servicing record is exactly the sort of thing we look for when selecting our cars.

Please take the time to come and inspect this lovely Volvo. We would be delighted to show it to you.

We are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

This car will be mechanically checked over and receive a NSW roadworthy permit.

We are so excited to show you this fine example and look forward to meeting you in person one day soon.
