

Volvo V60 T5 Momentum Z Series

Description

**** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

**** WINNER of the 2020 Local Business awards for Outstanding Automotive Services****

2019 Volvo V60 T5 Momentum AWD – New Generation – Only 53,000 km – \$34,950

This is a particularly rare opportunity to purchase the completely redesigned new-generation Volvo V60, finished in beautiful white with black leather interior and travelled an exceptionally low 53,000 kilometres since new.

These cars are very difficult to find in Australia, particularly with such low kilometres. There are only a handful of this generation V60 regularly offered for sale, making this a very different proposition from the far more common Volvo SUVs.

This is the MY20 T5 Momentum AWD, introduced as part of the completely new V60 generation in 2019. It wasn't simply an update of the previous V60 – this was a ground-up new-generation car based on Volvo's sophisticated SPA architecture, bringing the V60's styling, technology and safety systems firmly into the modern Volvo era.

And what a fantastic-looking wagon it is.

The long, low body, distinctive “Thor’s Hammer” LED headlights, elegant rear styling and beautifully minimalist Scandinavian interior make this one of the most attractive European wagons of its era.

Powerful T5 Turbo + AWD

Under the bonnet is Volvo’s 2.0-litre turbocharged T5 petrol engine, producing an impressive:

187kW of power and 350Nm of torque

It is coupled to an 8-speed Geartronic automatic transmission and Volvo’s intelligent All-Wheel Drive system, providing effortless performance together with excellent all-weather traction.

Features include:

T5 2.0-litre turbocharged petrol engine

187kW / 350Nm

All-Wheel Drive

8-speed Geartronic automatic transmission

Black leather interior

Electric front seats

Large portrait-format centre touchscreen

Satellite navigation

Apple CarPlay

Android Auto

Digital radio

Bluetooth connectivity

Digital instrument display

Dual-zone climate control

Keyless start

Reversing camera

Front and rear parking assistance

LED headlights with Volvo’s signature Thor’s Hammer design

Autonomous Emergency Braking
Lane Keeping Aid
Driver attention monitoring
Road-sign recognition
Adaptive safety technology
Multiple airbags
Stability and traction control
Alloy wheels

One of the great attractions of this V60 is that it gives you the practicality of an SUV without actually having to drive one. It has a generous 529-litre luggage compartment, a beautifully spacious cabin and can tow up to 1,800kg braked, yet retains the lower centre of gravity and driving characteristics of a proper European sports wagon.

The colour combination is equally appealing – crisp white over black leather perfectly complements the clean Scandinavian styling.

Most importantly, this example has travelled just 53,000 kilometres since new.

With so few of these new-generation V60s available on the Australian used-car market, finding a T5 AWD with only 53,000 km is particularly difficult.

For someone considering an Audi A4 Avant, BMW 3 Series Touring or Mercedes-Benz C-Class Estate, this represents a far more unusual alternative – and arguably one of Volvo's best-looking modern designs.

Rare, exceptionally low kilometres, AWD and the completely redesigned new-generation V60.

\$34,950

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
