

Volvo V60 F Series MY12

Description

What an amazing Volvo V60 T6 AWD 2011 this is with a full perfect Volvo dealership servicing history from new, only 46,000 klms from its one owner, spare remote keys and it’s metallic silver blue with black leather interior. With some amazing features like radar cruise control, the vehicle has the ability to stop the vehicle if you are too close to the car in front and overall this car is a stand out in its condition. Being a T6 AWD it has loads of power from its turbo charged engine and all-wheel drive stability on the road. The car has done very low miles and it literally drives like it did when new. It’s tight, quiet on the road and just a superb example inside and outside. Being the newer series you get the more modern wide screen navigation, blue tooth, reversing camera, and so much more. We think this car will hold it’s value so well moving forwards and we are so proud to show off this car to you in person one day soon.
