Volvo V70 T6 AWD Luxury Wagon – \$16,950

Rarely does a vehicle come along that combines performance, practicality and exclusivity quite like this exceptional Volvo V70 T6 AWD.

Finished in elegant metallic black and complemented by a stunning cherry red leather interior, this is one of the most striking and desirable Volvo wagons you'll find anywhere in Australia. In fact, examples of the V70 T6 are exceptionally rare, with almost none currently advertised for sale nationally.

Under the bonnet sits Volvo's powerful turbocharged 3.0-litre six-cylinder engine, delivering effortless performance through a smooth 6-speed automatic transmission and Volvo's renowned all-wheel-drive system. Whether cruising on the highway or tackling wet weather conditions, this V70 offers a level of comfort, safety and confidence that made Volvo famous.

This particular vehicle has been owned by the same meticulous owner for almost 11 years, a testament to both the quality of the car and the enjoyment it has provided. It presents in outstanding condition throughout and has clearly been cherished rather than merely used.

The combination of the rare T6 powertrain, all-wheel drive, beautiful colour combination and long-term ownership history makes this a genuinely special vehicle for the enthusiast or collector seeking something different from the usual European offerings.
