Volvo XC60 DZ

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- this is a very nice 2011 Volvo XC60 D5 “R-Design” turbo diesel AWD
- 91,000 klms and very well looked after
- not all models in this 2011 range were all wheel drive but this one is
- the charcoal grey is a very nice colour with a contrasting charcoal grey leather interior
- R-Design gets you white stitching around the edges of the seats
- bigger alloy wheels with 5-spokes
- cruise control
- better sports seats with R-Design Logos
- it’s one of those very nice Volvos that have seen a combination of highway mileage and some city journeys too.
- dual zone climate control air conditioning
- July 2020 registration
- we see so many of this series and are very picky about what we sell.
- this car doesn’t have any marks on the paint and the robust interior really is in exceptionally good condition for a 8 year old car.
- service books that are up to date
- drives extremely well and we think it certainly ticks all of the boxes
- it has the nicer Volvo factory alloy wheels than the basic model and comes

with the optional factory satellite navigation

– Hayman Reese towing package

– cargo cover and parcel tray sliding cover too

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
