Volvo XC60 DZ MY10

Description

What an amazing car these update series 2009 (MY10) Volvo XC60 T6's are and they are loaded with so many great options. The more modern design not only looks better than the Volvo's a few years before but they are so much more advanced in every way. This car has a great feel about it with only 66,000 klms and was a one owner by looking at the books and we think it has always been garaged. The AWD all wheel drive T6 mean you get a good amount of power from the turbo charged engine and the four wheels driving the car at all times. It has parking sensors, the leather is in lovely condition as well as alloy wheels. This is such a lovely colour combination and you really need to come in and see for yourself how good this car is. It also doesn't have the feel like it's been loaded with children eating lollies all day. A very good log book with all receipts and spare keys make this T6 a very fine example indeed.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from

auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
