This stunning 2009 update series Volvo XC90 3.2 litre with only 74,000 klms since new was one of the best 7-seater available in 2009 and this one has a very nice service history and is a fabulous colour combination being the metallic black and the charcoal grey leather interior. You also get loads of excellent extras such as Bi-xenon intelligence lighting system that are directional, BLIS which is Volvo's blind spot monitoring system, factory GPS Navigation, reversing camera, alloy wheels, leather bound sports gear shifter and wood grain steering wheel, colour coded bumpers, aluminium inserts, upgraded sound system, parking sensors, rear air controls, and overall a car which we think will hold it's value very well moving forwards. This is a car we are very proud of and look forward to showing you in person at our showroom one day soon. With two in house mechanics working for us this car will not leave our business without being overlooked very carefully.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site.
