

Volvo XC90 MY10

Description

We sell so many 2009 Volvo XC90 3.2 litre V6 4WDs due to their popularity and this one is the full Executive pack which was the absolute top of the range model and has some really lovely features. Firstly the 114,000 klms on this car has been always serviced well and on time and it literally looks and feels like it's traveled half the mileage and really has been so well looked after; it's a credit to the previous owner. Wood grain steering wheel, Volvo alloy wheels, 7 seats, electric front seats with memory, cooled and heated front seats, it has a nice set of roof rails, a and again a very impressive service history from new in 2009. 114K is nothing for one of these cars and it's just such a tight example compared to a lot of other cars we see here in Sydney. The colour is lovely too which is a bronze metallic with charcoal grey leather interior and it's registered here in NSW. A premium SUV with for this price-point and makes excellent sense.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
