

Volvo XC90 MY12

## Description

This stunning newer update series 2012 Volvo XC90 R-Design and is a lovely car with only 83,000 klms and has the very smooth and desirable 3.2 litre 6 cylinder engine and a full dealership servicing history from new. Being an R-Design it was the top of the range and looks superb. You get the newer pop-up navigation with reversing camera, larger Volvo alloy wheels, sports seats, colour coded bumpers, silver mirrors and s larger leather bound steering wheel and gear shifter. This XC90 has so much going for it and we will service the car this week to prepare it for sale. The light sliver/grey metallic with the charcoal leather interior is about the best colour combination for keeping these cars clean and not requiring too much exterior washing. Spare keys, everything is original, it has blue tooth and a cruise control. These 7-seaters are hard to find in this sort of condition that haven’t been destroyed by little kids. Please take out the time to contact us as this is a particularly good example that we are very proud to offer for sale.
