Volvo XC90 P28

Description

**** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

- 2007 Volvo XC90 seven seater 4.4 litre V8
- this is a very rare model with the famous B8444S Yamaha engine and will hopefully continue to hold its value very well moving forwards as there are not many on the market in this condition
- reliable 6 speed Aisin (Japanese supplier to Toyota) automatic transmission
- Haldex four wheel drive with only 140,000 klms since new
- very good servicing history
- rear DVD entertainment
- log books present with spare keys
- dark metallic blue with charcoal grey leather trim
- alloy wheels
- reversing camera
- pop up navigation
- dual zone climate control air conditioning
- drives extremely well and tight for its age
- effortless power and sounds from the Japanese built V8 will make any trip to the shops enjoyable and fun
- we sell a lot of this series and are happy to say that this car ticks a lot of boxes

- there are very few 7 seater 4WDs with a V8 engine that have a price tag of under \$15K and glorious exhaust note
- a lot of these are filthy inside from kids littering in the rear and surprisingly this is a very good, clean example
- we thoroughly check over these cars and make sure everything works properly prior to the final sale
- for so many years we search for the very best Volvos and hope you will agree when you come in to have a nice test drive

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
