Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– due to being an Eastern suburbs car it has a few minor scratches

– only 87,000 klms since new!
– being the executive it was actually the most expensive XC90 in 2011
– we see a lot of this series and mechanically this really is a very good example overall – as it has been owned in the Eastern suburbs it has a number of small marks on the paint which can be easily fixed
– dual zone climate control air conditioning
– the 3.2 litre engine is an excellent motor and being an update series it has the newer better gearbox
– massaging chairs with cooling in the front seats
– electric chairs

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy
