

Volvo XC90 P28 MY09

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2008 Volvo XC90 seven seater 4.4 litre V8
– four wheel drive with only 112,000 klms since new
– very good servicing history
– rear DVD entertainment
– log books present with spare keys
– dark metallic blue with charcoal grey leather trim
– alloy wheels
– towing package
– reversing camera
– navigation
– dual zone climate control air conditioning
– drives extremely well with no knocks or vibrations
– we sell a lot of this series and are happy to say that this car ticks a lot of boxes
– it is registered here in NSW until March 2020
– there are very few 7 seater 4WDs with a V8 engine that have a price tag of under $15K
– a lot of these are filthy inside from kids littering in the rear and surprisingly this is a very good, clean example

– we thoroughly check over these cars and make sure everything works properly prior to the final sale
– for so many years we search for the very best Volvos and hope you will agree when you come in to have a nice test drive
– only just traded in on a new car here in Sydney's North Shore
– this is a very rare model and will hopefully continue to hold its value very well moving forwards as they are a rare beast

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
