Description

This lovely November 2009 Volvo XC90 3.2 litre 4WD 7 seater Executive has it all. Under 85K, full leather interior on sports seats as standard with the more modern dash as it's the update in MY10 and overall in really excellent condition. We are very fussy about the stock we buy and with an XC90 it's very important that the gearbox and overall interior condition of the car is extremely good which we believe we have here. It's a dark blue on light cream interior and being an Executive you get every great option you could hope for. Electric seats with memory, sports steering wheel, bigger wheels, aluminium inserts, leather gear shifter and it just looks great. The leather interior is in mint condition with all the buttons on the stereo not marked and worn out. The 3.2 litre is a very strong engine which is also essential for a car of this size. These would have to be one of the best family cars available in Australia which such high safety ratings. NSW rego until April 2018.
