

Volvo XC90 P28 MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

This stunning 2010 Volvo XC90 3.2 litre with only 56,000 klms since new was generally one of the best six cylinder 7-seaters available in Australia and this one has a very nice service history and is a fabulous colour combination being the metallic black with the cream leather interior. You also get loads of excellent features such as alloy wheels, leather bound steering wheel, colour coded bumpers, upgraded sound system, rear air vents, and overall a car which we think will hold it’s value very well moving forwards.

* just been to our Volvo specialist for $2,500.00 spent making sure everything is up to scratch mechanically ”
