

Volvo XC90 R-Design

Description

**** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

**** WINNER of the 2020 Local Business awards for Outstanding Automotive Services****

- 2013 Volvo XC90 3.2 litre “R-Design” update series
- very popular model in a 7-seater
- White with Black leather trim
- R-Design has much better/sportier seats, larger alloy wheels, thicker steering wheel and gear shifter
- they also have a slight body kit and drive extremely well
- very good service history from new
- this car has seen some highway mileage but really is impressive.
- just traded in at a Volvo dealership
- the petrol engines are far more desirable moving forwards
- so many amazing features on the MY2013 series car from bluetooth, pop-up navigation, parking sensors
- both original keys
- log books which are up to date
- these petrol engines are far more sensible than the diesel’s which have been an issue lately from shorter trips and blocked filters

- you can just tell how well this car has been looked after just from getting inside and smelling the leather
- probably the safest 4WD on the road from this era
- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
